"More Than Pretty Objects: The Pre-Columbian Heritage":

Pre-Columbian civilizations had very rich histories. Their art shows many aspects of their distinct cultures. In this event, we will explore the beauty and history of their art to better understand their lives.

Presenters: Kayla Hagemann, Luke MacFee, Tobi Adedokun, and Zoe Guckien.

"Afternoon with Dinosaurs":

In this visit, children of different ages will learn about dinosaurs. We will look at skeletons, identify fossils, and have a scavenger hunt in the museum.

Tour Guides: Spencer Douglas, Emily Hall, Tanner Salhus, Olivia Turner, and Sammi Woronoff

"Sciences Explosion":

We will explore animals from the past and geological objects that are important for the history of Alabama. We will learn about meteorites and prehistoric animals, specially about elephants. Visit the museum, and make activities with us!

Guías: Annalee Fuller, Lauren Peck, Sara Kasyak y Raquel Olson

"Have Only One Hour?":

Only have an hour to explore the museum? In this activity, you'll be able to see works of art from all over the world from 450 AD to the present. Come and we'll show you the museum's website in Spanish!

Presenters: Mary Alice Corcoran, Mason Sell, Rolf Tilley, and Allan White
